

Pragati Public School

For Classes X, XII

Dear Parents,

Greetings from Pragati !

We hope that you and your family is fine in these tough times.

As you are aware that that the students of class X and XII would be required to appear for the board exams in 2021 in accordance with the guidelines received from CBSE in due course , the school will be taking the following measures to prepare the students for the same

The syllabus for all the subjects has been completed and revision is going on in full swing. Teachers have also scheduled remedial and enrichment classes for the benefit of the students. Further the teachers have conducted practicals for the students in the school and virtually shared the same with them. The students have also been guided by the teachers for completion of practical files and project work.

Pre Board 1, Examination will commence from 14 December 2020 in the online mode. An Orientation program cum mock drill will be conducted to explain the procedure to the students for the conduct of the same.

Teachers and students have coped with the new normal and are working very hard in these trying times. We are putting in all efforts to ensure that the teachers and students stay connected with each student for revision and doubt clarification classes in order to help the students to do well.

The Virtual Preboard examination will help us in gathering relevant information about each student's performance and progress and the positive execution of the teaching-learning process and enable us to devise a strategy for the remaining months before the commencement of the board exams.

We would request you to kindly supervise the conduct of these Preboard exams at home and ensure a fair conduct of assessment where your wards DO NOT resort to use of any unfair means. In the current situation since the classes are being conducted from home you as parents are more than equal partners in the holistic development of our children.

We look forward to your active participation and whole hearted contribution during the conduct of the pre board exams in the best interest of our children. .

Some examination guidelines are as follows:

1. The theory examination will be conducted from **14 December 2020 to 24 December 2020 . Timings : 12.00 noon to 3.30 pm.** Practical exams will be conducted after completion of the theory exams (for Class 12 students only).

2. Two platforms will be used for the conduct of the theory exams ie MS Teams and Google Meet . The question paper will be shared through MS Teams and google meet for writing the exam. It will be a mandatory requirement for the students to turn on their camera for the entire duration of the exam.
3. The students who will be logging in from the mobile phone will be required to arrange for one more device for facing the camera.
4. After the completion of the exam , the students should take pictures of the answer sheets ,convert the answer sheets into a pdf file and then upload on Teams . This entire procedure will be explained to the students
5. Please monitor the focus of the camera to ensure that both the child and the answer sheet are both visible.
6. Encourage the child to sit at least 1 and ½ feet away from the camera.
7. Please ensure that your ward takes adequate rest and sleep during these days and takes good nourishing diet.

In case you have any queries please do not hesitate to get in touch with the class teacher or our computer faculty for assistance.

Looking forward to your active support and co-operation during the examination to ensure that the exams are conducted smoothly.

Stay Healthy and Stay Positive

Thanking you .

With warm regards

Principal
