CLASS – I (2022-23)

Holiday HomeWork

Dear Students

Summer is a time to relax, be productive and to get ahead. As important as it is to rest and enjoy, it is also important to continue to learn. You can spend your time as you wish but make sure that along with enjoying and relaxing make this summer a time to learn new things, exploring the opportunities available.

To enhance your learning, we have planned activities to keep your skills sharp and concepts clear. Use your energy and give a vent to your creativity. It will surely enhance your learning process.

Relax, enjoy, have lots of fun and come back

Let's Start ...

-  Help mother in laying the table and cleaning it.
-  Take two old cups or bowls, fill one with water and other with seeds everyday and keep it outside for birds to drink and eat.
-  Switch off lights and fans when not in use.
-  Remember and use magic words – Please, Thank you, Sorry. Use them in your daily routine.

General Instructions:-

For the Students:

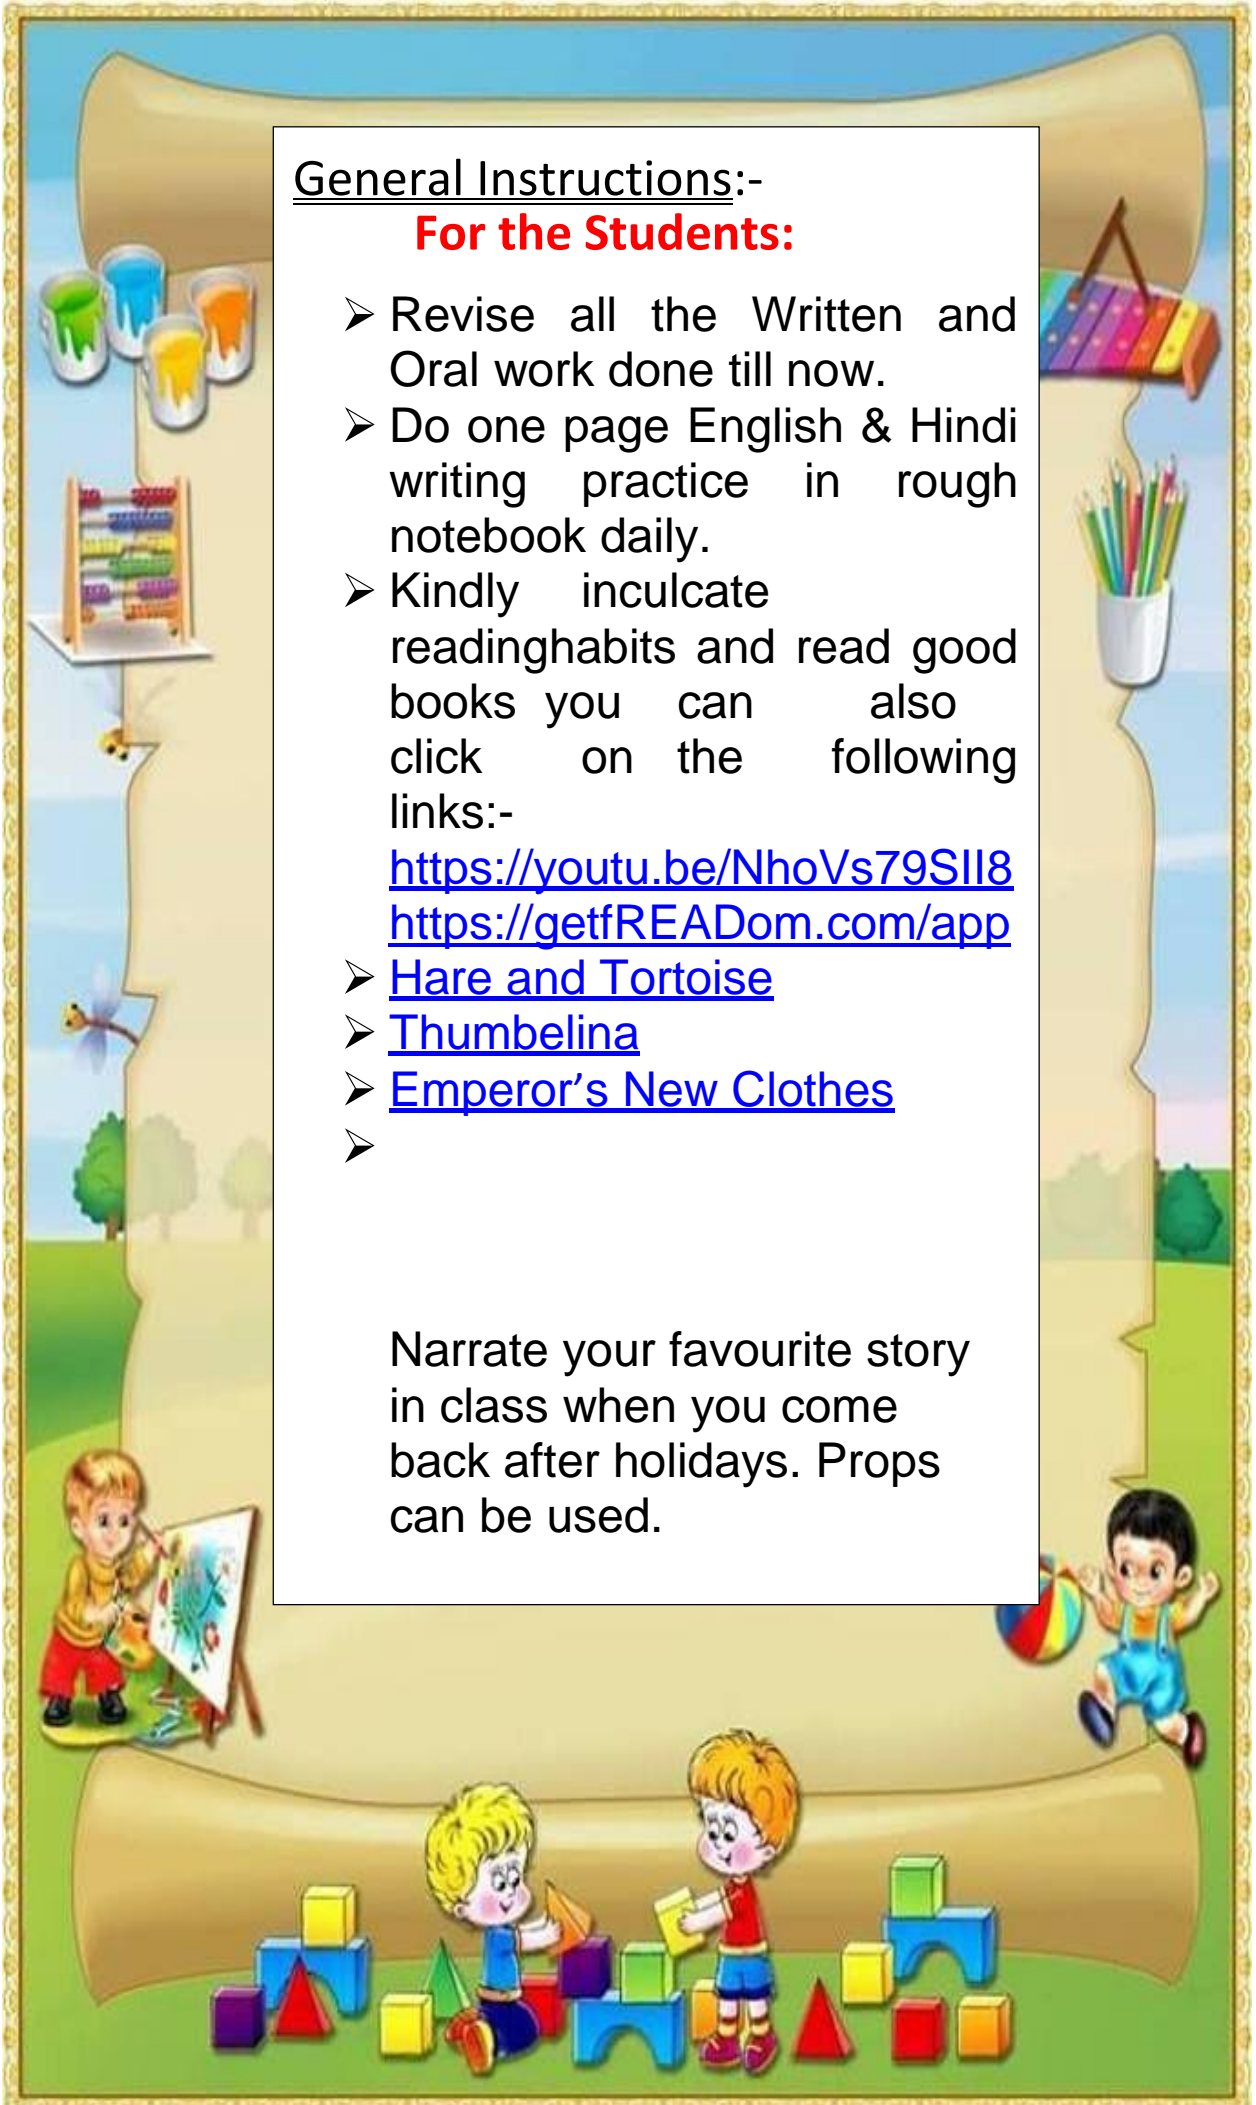

- Revise all the Written and Oral work done till now.

FOR THE PARENTS

A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- ✦ Keep at least half an hour a day for sharing experiences with your child.
- ✦ Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
- ✦ Let your child colour, draw, paint, play with water and sand.
- ✦ Restrict his or her television watching, confining it to interesting children's programs, cartoon films, Discovery channel etc.
- ✦ Develop self help skills: Let your child dress and feed on his/her own.
- ✦ Make him understand the importance of cleaning his room and putting away toys and belongings after use.
- ✦ Take your child out for picnics and to other places of his/ her interest. Ask him/her to make a note of all the places he/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation

Have a nice time !

Hand Printing

- Take an A-3 size sheet of any light colour and add a simple border to it.
- Cut out a pot from brown pastel sheet.
- Help your child to make hand prints with bright poster paints to create flowers as shown in the picture.

MATHEMATICS

- 1) Revise all the work done in notebook.
- 2) Collect the seeds of different fruits eaten by you during summer vacation. Make an observation table as follows:

Name of the Fruit	Number of seeds(write in words)	Description of seeds (size,colour, shape etc.)

- 3) Create an addition machine using a shoe box and two cups with the bottoms cut out. Students roll two dice and then use the machine to work out the answer by putting balls/counters through the cups to add the two numbers together. A great hands-on activity to consolidate the concept of simple addition. (ROLL NO. 1 TO 17)

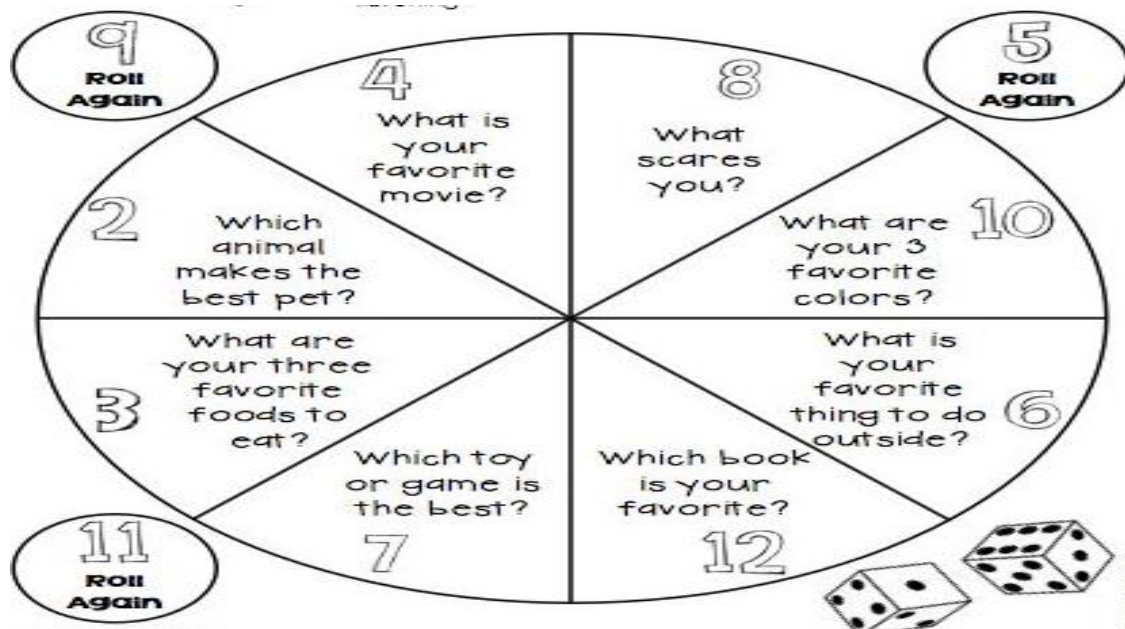

- 4) Skip count by 2, 5, 10 (you can make it on the shape you like)
(ROLL NO. 18 TO 34)

5) Game - Roll the dice:-

Get to know your family better! On your turn ,roll the dice. Add the two numbers together to find the sum. Answer the question for the sum you rolled. If you roll the same number more than once, challenge your team player to remember your answer from before. Are they listening attentively.

6) Learn the interesting maths poem:

5 LITTLE TOOTHBRUSHES

Five little toothbrushes
hanging in a row,
Pink, orange, green, blue,
and yellow.
Along comes Mommy
to the bathroom door,
She brushes her teeth,
and now there are four!
Repeat with Daddy, sister,
brother, & I.

Jelly Bean Countdown

5 little jelly beans, I wish I had more,
I'll eat the (color) one
now there are four!

4 little jelly beans, tasty as can be,
I'll eat the (color) one,
now there are three!

3 little jelly beans, only a few
I'll eat the (color) one,
now there are two!

2 little jelly beans, eating them is fun,
I'll eat the (color) one
now there is one!

1 little jelly bean, last one for me,
I'll eat the (color) one,
I'm happy as can be!

Fun **ACTIVITY**

My Ice Observation

Explore the vocabulary and science by observing changeable states using ice

Directions:

- First make some coloured ice by freezing some water coloured with drops of Roohafza.
- Once the ice is frozen ,take it out and put it on a small plate.
- Now look at the ice cubes and draw a picture of the ice in this **FROZEN** state in the first column.
- Leave the ice cube out for 15 -20 minutes.
- Now draw the picture of the **partially melted** ice in the second column.
- Talk to your parents about the changes you see like When the ice cube is bigger , Wetter or dryer ? When there is less water in the plate? Etc.
- Again leave partially melted ice for 10 to 15 minutes or until the ice cube vanishes properly.
- Now draw the picture of the **fully melted ice or water** in the third column.!
