

PRAGATI PUBLIC SCHOOL
HOLIDAY HOMEWORK
CLASS: III (2022-23)

THEME: ENVIRONMENT (INVEST IN OUR PLANET)

Earth and sky, woods and fields, lakes and rivers, the mountain and the sea, are excellent schoolmasters, and teach some of us more than we can ever learn from books.

John Lubbock

Dear parents.

Holiday celebrations are wonderful opportunities for children to learn about the traditions and values that are cherished parts of people's lives. We lay focus on meaningful ways to celebrate holidays. Keeping this aim in mind, we have designed few activities for the students which they will undertake during the holidays. Encourage your children to do these activities independently. **HAPPY HOLIDAYS!!!!**

Follow the given advice during the holidays:

Holiday Homework of all the subjects is to be done as per the instructions & guidance given by the subject teacher.

- Remember to pick up new hobbies. Watch informative programmes on National Geographic and Animal Planet. Work on building up your strengths.

- Help to keep the house clean & clear the books or craft and toys after you have finished playing with them.
- Be polite while speaking and talk softly.
- Help your mother to clear the table.
- Inculcate proper table manners.
- Remember to converse in English throughout.
- Make the 4 magic words **PLEASE, THANKYOU, SORRY & EXCUSE ME** a part of your personality.
- Ask your grandparents about their childhood and find out how different olden days were.

Skills Involved: To complete the work with passion.

ENGLISH

Saving environment is an important step towards making a sustainable and safer future. Be a green crusader and spread awareness around you.

The surroundings or conditions in which a person, animal or plant lives or operates the natural world is called environment.

Find and write some best ways to reduce air pollution to save the environment. Cut the news and articles and pictures and paste them in a scrap book. Write at least ten best ways to reduce pollution.

Write some actions which you can take to control pollution to save the environment.

Read the newspaper regularly and cut at least three important news related to the environment, per week and paste them in scrap book.

Read any story of your choice. Write a small paragraph on your favourite character of the story. Paste/ Draw the picture of your favourite character also.

Read at least two books of your interest during the vacation. Maintain a self-made dictionary of the new words you come across while reading.

'Care and Concern' this is your chance to look after your parents, grandparents, elders and even your younger brothers and sisters. You can surely be of some help to your family members. Ask your family members if they need some help and then do the needful.

हिंदी

१ करो कीटाणुओं का काम तमाम

कीटाणुओं को दूर रखने के लिए हमें किन नियमों का पालन करना चाहिए एक चार्ट पर चित्र सहित दर्शाइए

२ स्वस्थ इंद्रधनुष

स्वस्थ रहने के सात नुस्खे इंद्रधनुष की सहायता से ए-4 साइज शीट पर लिखिए

३ कैलेंडर

फलों और सब्जियों का मौसमवार केलिन्डर तैयार कीजिये

1 अपने आस पास की किन्हीं दो चीजों का वर्णन अपने शब्दों में उत्तर पुस्तिका में किजिए।

जैसे – बगीचा, बाज़ार ,विद्यालय,मन्दिर,मदर डेयरी।

2 अपने मनपसंद कार्टून की विशेषता सहित बुकमार्क बनाइए और लैमिनेट करवाएँ।

3 प्रतिदिन अखबार पढ़िए व सीखे गए नए दस शब्दों का एक वॉल हैंगिंग बनाइए ।

❖ Make a Scrap Book Cover and Decorate It. Write Tables 2 to 12

❖ Do the following Experiment Creatively in the same Scrapbook

Transport has played an important role in human civilization. Transportation is the means to carry

people and goods from one place to another. If the present means of transportation were not

developed the situation of the world would have been different.

In the future world, we may have flying cars or cars that move on water.

Do the following activities:-

1) Use your imagination and design any vehicle for the future. Draw the vehicle creatively using

numbers.

2) Add up any ten numbers that you use in the drawing.

3) Use any four one-digit number that you used in the drawing to form five different four digit

numbers.

a) Write the number names of the numbers you have formed.

- b) Draw abacus for the numbers you have formed.
- c) Arrange the numbers in ascending and descending order.
- d) Express the above numbers in expanded form.

FUN WITH NUMBERS

❖ **Rahul has a locker that opens with a password of numbers**

You have to help him because he has forgotten the combination

Fortunately, he remembers some things about the numbers, which may help you

to assist him.

- The number has three digits
- All the digits are different
- It begins and ends with an odd number and has an even number in the Middle.
- Odd number at the hundreds place is more than zero and less than 2.
- Odd number at ones place is the biggest one digit number.
- Even number in the middle is more than 5 and less than 7.

❖ **Dear students, As we have learned about 2D shapes, let's wear our creative hat and imagine the "Life below Water" in those shapes.**

Draw a picturesque scene from life of underwater plants and animals using 2D shapes. Colour them and paste it in maths scrape book.

I. MEDICINAL PLANTS -Before modern day medicine and synthetic drugs there were plants which ancient civilizations knew how to use them effectively to treat common ailments and life-threatening diseases. Find out about four such medicinal plants found in our environment; write their use and names in Hindi as well as in English along with their picture on an A4 size sheet.

II. Endangered Species are an animal or plant species in danger of extinction. Causes can include human activity, changing climate, or change in prey. **Why should we worry about the endangered species? To find the answer of this question watch this video:-**

<https://youtu.be/h5eTqjzQZDY> (open this link and watch the video)

Which animals, fish and plants do you think are most endangered? Which endangered species would you least like to see disappear?

Activity: - Find out top 10 endangered animals, Write the names, number and the places of these species where they are existing.

2. What are some ways to protect animals from becoming endangered?

3. list designating habitat essential for their survival and recovery.

III Activity: - Identify and Click the pictures:

For Example:

Click the pictures of the various factors influencing the environment. Paste the same pictures and write at least 5 lines to describe each picture. Also mention the methods to save our environment.

IV. Germination of Seed: - Use a transparent container to germinate the seeds like: Kidney beans, chick peas or moong dal.

To germinate the seeds please follow the method shown in this video: - (click on the you tube link and watch)

<https://youtu.be/iOG2LS2IB2o>

FOR EXAMPLE: This is the first stage: -

V. Find out the meaning of these terms also read and write few lines about the given topics: -

1. Atmosphere
2. Soil erosion
3. Habitat
4. Heavenly bodies (planets, sun, moon)
5. Bio-degradable and Non bio degradable waste.

Guidelines

The holiday homework should be done as per the instructions. Manage your time in such a way that a little work is done every day and there is no piling up for the last moment. Keep a fixed time for doing your work every day. Do the work neatly as per the given instruction. Collect the materials required for the work in advance.

Enjoy the activities so that the work becomes fun.
