ASSIGNMENT FOR PARENTS

Warm greetings. For the past months we enjoyed taking care of your precious children. You might have noticed that they all loved to come to school. For the next two months, you, their natural guardian will spend the vacation with them. Let us share some tips to make this period a fruitful and happy period for them.

- Have at least two meals together with your children.
- Allow them to help you in cooking. Let them make their own vegetable and fruit salad.

- Allow your child to play outdoors and get dirty. It's okay for them to fall down and experience pain once in a while. Comfortable life within the sofa cushions will make your child lazy.
