**Pre -Primary Holiday Homework 2024**

Dear Parents,

The holidays have begun and it is time to have fun! The summer break is the most enviable part of school life and we want that the children have an enriching experience this summer.

It is time to rejuvenate with the **Holiday Homework** comprising of mindfulness and reflective activities. To make this break fruitful create an atmosphere of purposeful living and instill a value for time and effort towards the smallest things also, be it the simple task of caring for plants, or laying the table for dinner. Equip your child with basic life skills and encourage them to help you around the house.

As parents, it is important to invest your time with them now.

What we learn with joy, we never forget!

## **English:**

- **WORD SEARCH GAME:** Word search is a great game to improve the observation skills, concentration and memory besides accomplishing the long-term aim in building the vocabulary of the child. Summer break can be utilized to play word search with the child on a regular basis. Encourage the child to identify the picture and tell the first and last sound of the pictures given on page 5 and 6 of Read with Roxon book.
- Children are like sponges- they absorb what they are being told. Phonic sounds had been introduced in class Preschool for learning how to read. Let us recapitulate the same through this video link on phonic sounds to make the child's foundation stronger to enhance his/her reading skills.

## **Tips to remember-**

- While teaching phonics, focus on the sounds that each letter makes, instead of the name of the letter. While some letter names automatically translate into the sound the letter makes, such as "b" says /b/. As the child becomes more confident in his sounds, the letter names will quickly come. So let's learn phonics in a fun way.

- Collect and paste the cut- outs of animals in the sequence A to Z to make a picture zoo. For example Aa ape,Bb bear,Cc cat. This activity should be done in the scrap book.
- Revise sight words, first and last sound concept through the English resource kit.
- Read out at least 3- 5 stories to your child during the summer break. Encourage your child to draw/paste pictures related to any 1 story in the scrap book.

## **EVS**

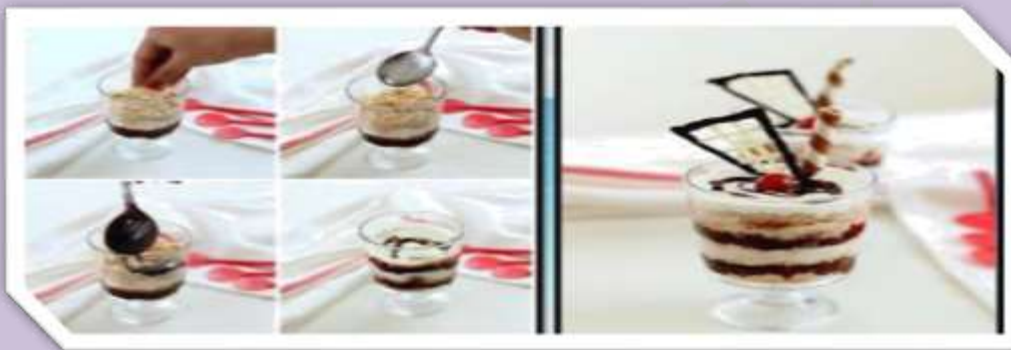

### **Emotion Charades:**

Write down different emotions (happy, sad, angry, surprised, etc.) on small pieces of paper and place them in a bowl. One by one, have kids pick a piece of paper and act out the emotion without speaking while others guess what emotion they're portraying. This activity helps kids recognize and express emotions through body language and facial expressions.

- **Encourage them to take care of Personal Hygiene by directing them to follow these habits on a daily basis :**
  - Washing hands in short intervals for at-least.
  - Brushing teeth twice daily
  - Combing hair regularly
  - Bathing every day.
  - Washing hands before and after meals.
  - Trimming the nails and keeping them clean.
- Have a good time with your child by getting him/her involved into activities like:
  - ✓ Mashing Potatoes
  - ✓ Rolling Chapattis
  - ✓ Shelling out peas
  - ✓ Plucking mint and coriander leaves
  - ✓ Zipping and unzipping
  - ✓ Squeezing bath sponges
  - ✓ watering the plants using spray bottles

- Father's day will be celebrated on 16<sup>th</sup> June 2024 on occasion of **Father's day**, let's celebrate and honor our fathers. Put on your chef's cap and get going in the kitchen. This mouthwatering recipe might become your all-time favorite. Let's make a special dish for your dad and spend some time with him. **CHOCOLATE DESERT:-**Kids will love getting their hands dirty with this fun homemade dessert activity. Paste pictures of this activity in the scrap book.
